## Earth Day Clean Up

### Feeling Blessed

*The greatest blessing is that of benevolence and compassion, to sacrifice ones energy, time, and effort; to devote love and concern for the benefit of other people. Happiness does not come from possessing, but rather the ability to give and forgive, to love, respect, and accept others for whom they are. If we face all circumstances with this blissful manner, then happiness will naturally come.*

*(Revealing The Beauty & Dignity of Mankind)*

Green Columbus, the local nonprofit responsible for coordinating and mobilizing the largest volunteer turnout for Earth Day service projects in the country, has selected "Lighten Up" as the theme for Earth Day 2011.

"Lighten Up" will be the fifth observance of Earth Day organized by Green Columbus. Last year's event, The Update, involved nearly 4,000 volunteers and 129 worksites across Central Ohio, the largest coordinated event of its kind in the country.

In celebrating the earth day Our temple is going to create a worksite

on April 09. Come help us pick up the litter along the service road.

All volunteers will receive a free drinks. If you would like to sign up for the litter clean up, please email us.
