## O-Mei Maitreya Holy Land Project-Grand Opening on March 5, 2011

Under Maitreya's wish of bringing global joy, World Maitreya Great Tao Organization sets the foundation for the mission. When you contribute any effort for the construction of the Maitreya Statue or the Maitreya Hall, your volunteer services, sincere prayer, or financial donations will bring our world tremendous blessings, because your sincere support for global harmony will bring the reality of peace on earth. In addition, your support will accumulate joy and blessings to you and your loved ones.

To complete this holy project, we welcome your support in joining this rare opportunity to materialize Maitreya's will for global peace and universal happiness. Please contact the temple for details!

### The Tao of Living in This World

Set your heart on benefiting others, and  
You will find yourself accumulating your own merits.  
Set your heart on benefiting yourself, and  
You will find yourself piling up your vices.  
To forgive others is to bring fortune to you yourself  
While to hurt others will eventually harm you yourself.  
Concession invites fortune while  
Contention breeds disaster.
